

# LSU HEALTH SHREVEPORT RESEARCH EXPERIENCES TO ADVANCE CAREERS IN HEALTHCARE

The career readiness and experiential learning opportunity supports qualified applicants eager to apply to medical school, another health professions program or a biomedical science graduate program. With a cohort size of 25 and growth opportunities, this eight-week, non-course-based learning experience provides prospective students with invaluable exposure to research. Completing 320 hours can significantly enhance their medical school applications. At the end of the program, each student presents their research findings at the annual summer Poster Session, showcasing their scientific writing skills and ability to evaluate scientific data. Students receive a \$3200 stipend and housing accommodations. The program dates are June 1, 2026 - July 24, 2026 and the deadline to apply is January 16, 2026.

## Program Dates & Deadlines

If you plan to apply for REACH, the program is offered June 1 – July 24, 2026. The deadline to submit your application is January 16, 2026.
